RE: Help, and to inform you how I'm mistreated.

I'm writing to you for help. I've been trying to get help from anyone and everyone, but I'm not getting any at all. It seems to me that all that they do is justify their actions. They've even lied to my judge, told her that I'm getting treatment, which is false.

I have a lawsuit on Doc for medical neglect. I have a bad liver and haven't received any care, at least not proper care. I'm in pain day-in and day-out, and I'm scared I'm on my way out. I plead to you to hear

my desperate cry for help, and do the right thing, which is all I need.

I need treatment. I have a substance abuse problem and if I do not get treatment, my odds of coming back into this mess are far greater than if I do. I think that

because it seems I'm "causing problems" that I'm not a good candidate, more less they don't want to help.

I'm only asking for help not FREEDOM

Think about this they've even gone as

For as to put me in the hole (isolation) for trying to get the proper treatment. I never thought a place could be so unjust. I would greatly ~~atleast~~ appreciate a response it would show a little bit of hope which seems so far away.

Sincerely, David Dyesue S.

PS: I ask someone to write this for me, so you can read what I am trying to said. I have problem with writing & spelling and they took my school also away. Please for the Love of God help me like Proverbs 22:22-23

Do not exploit the poor because they are poor and do not crush the needy in court for the Lord will take up their case and will plunder those who plunder them.

Requirements for Completion:

- Completion of all Clinical Tasks
- Participation in Groups (This means active participation)
- Cooperation with treatment staff (Program Director and facilitators)
- Uphold group confidentiality (What is said in group stays in group)
- Must complete every unit. Any classes missed due to excused absences will be made up.

Reasons for Discharge: Final decisions are up to the TEMPO Director.

Medical and dental must provide something in writing for you verifying that you were there during time of class or excusing you for classes missed. There will be no verification from officers, etc.
- **Any unexcused absence:** If a client is absent the facilitators will do a follow-up to find out why he was absent. This information is given to the Director. The Director will talk with the client and will contact other staff if necessary to verify reason for absence. If it is an excused reason the client will resume classes, but if it is not then the client will be terminated. (an unexcused absence is any reason other than the above acceptable excused absences. **This includes the officers not letting you out.** This will be evaluated case by case. Visits are expected to be schedule around program class times. You should inform your family and friends of your class times and work your visits around your TEMPO schedule. Emergency or special visits are evaluated case by case.

- Lateness. Fifteen minutes late or later for any reason other than dental, medical, classification, or in some job related cases pending verification & approval of director.
- Not bringing client folder with related TEMPO material.
- Not completing all clinical tasks.

Note: If you are terminated for any of the above reasons you will receive a class I write-up. Because you have been classified to the TEMPO program you are mandated to complete it. Upon re-entering the program you will be required to start from the beginning, not pick up from where you left off.

General Rules for Group Sessions

- Be on time when group is called and be ready to start. Have all necessary materials.
- What is said or done in your group stays in the group. Personal statements are not repeated outside of group.
- Speak in first person, express your own thoughts and be responsible for your thoughts and feelings. Speak about how your experiences relate to the group topic.

I, David DeJesus Sr understand the concepts, rules, and requirements of the TEMPO program and agree to abide by them. I understand that I must complete all requirements as stated and those administered by the TEMPO treatment staff. I have received a manila folder with a completion requirements chart and my first clinical task. I understand that my first clinical task is due on my first day of class.
